

Planning Schedule

APPLICATIONS, RECOMMENDATIONS, DECISIONS and INFORMATION

Date ***03 October 2018***

Week Number ***39***

The Planning Schedule

The Planning Schedule

The Planning Schedule is issued every week and contains information on a range of planning matters.

The Schedule is distributed to all Councillors, Community Councils and statutory consultees. It is available on the Council's internet site – www.stirling.gov.uk. Information on all planning applications submitted to the Council may also be obtained from.

Interested in a Planning Application?

Every planning application is given a unique reference number. Information on all planning applications is available on line from www.stirling.gov.uk/onlineplanning. Simply input the reference number and you will be able to view relevant information on the planning application, including the application form and plans.

If you are enquiring about any application please contact the Officer shown in the Schedule and refer to the application reference number.

Advice for Community Councils:

Community Councils will be sent this Schedule and be invited to make comment on any planning application that they consider raises issues for the wider community. These comments will then be considered to form a statutory consultation response.

Community Councils should send their comments as soon as possible as we cannot delay consideration of a planning application where a planning application is otherwise ready to be determined.

Community Councils are expected to act within the provisions on PAN47, and concern themselves only with cases that raise issues of genuine community interest. Householder applications will rarely involve issues of this kind.

What Are Our Procedures for Handling and Determining Planning Applications?

We have published procedures for handling and determining planning applications. These are set out in the [Planning Toolbox](#) which aims to give an explanation of how planning applications are handled and determined in Stirling Council.

It is recommended that if you wish to make comment on a planning application that you read these procedures as they help to explain how we deal with comments on planning applications, how we determine planning applications, who determines planning applications and the procedures that we follow, including some key timescales for applicants, objectors and other interested parties.

Deciding Planning Applications – Understanding the Information in this Schedule

We provide below a brief explanation of how decisions on planning applications are made. Please note that this is more fully explained in the [Planning Toolbox](#)

Planning applications submitted to Stirling Council are determined in the following ways:

Under Delegation – the application will be determined by an Appointed Officer and his decision will appear in the Schedule under Decisions of Appointed Officers – see below

By Planning and Regulation Panel – the application will be determined by the Planning Panel having considered the Planning Officer's recommendation and any other relevant representations.

By Full Council – if an application is a major development (see below) and is significantly contrary to the development plan then it will be determined by full Council. This procedure happens very infrequently

Delegated Decisions

Generally applications for developments which are classified as “local developments” will be determined by planning officers (the ‘Appointed Officer’). There are certain exceptions - see Scheme of Delegation below.

These decisions appear in the Schedule as a matter of record only.

The applicant has a right of review of the Appointed Officer’s decision. The Council’s Local Review Body will consider any such review.

Planning Panel Recommendations

Some planning applications are determined by Planning and Regulation Panel – see Scheme of Delegation below. The Schedule sets out the Appointed Officers recommendations for planning applications scheduled to be determined at the next Planning and Regulation Panel. It is important to note that these are recommendations and not decisions as the Panel may not follow necessarily follow the recommendation.

Planning Panel Decisions

This section contains the decisions of the Planning Panel.

Scheme of Delegation for Determining Planning Applications

The full version of the Scheme of Delegation can be viewed on pages of 20 and 21 on the Planning Toolbox which can be found at: [Planning Toolbox](#)

Provided below is a shortened easy read version of the Scheme of Delegation:

Almost all householder planning applications (eg. extension to a dwelling house) will be determined under delegation. Most other planning applications will be determined by planning officers except in the following circumstances:

- (a) The Council has a financial or other interest in the planning application that is contrary to the development plan and planning officers wish to approve the planning application; or
- (b) The planning application is made by a Councillor; or
- (c) A local ward Councillor has requested that the planning application be determined by Planning and Regulation Panel. The request must be made within 25 days of the planning application being registered; or
- (e) A local ward Councillor has requested that they be notified of the planning officers’ considerations. The Councillor must request a notification within 25 days of registration. The Councillor can then remit the application to Planning Panel but the request must be within 56 hours of the notification being sent; or
- (f) The application receives 5 or more competent written objections and the planning officer wishes to approve the application; or
- (g) An application where the planning officers wish to approve and the planning application is a significant departure from the Local Development Plan; or
- (h) The application requires to be notified to Scottish Ministers.

Any application that falls within exceptions (c) to (e) shall require the Councillor to provide a relevant planning reason supporting the request for the remit.

Contents

The Planning Schedule contains information on a range of planning matters.

- 1 Valid Planning Applications Received
- 2 Decisions of Appointed Officers
- 3 Planning Schedule Recommendations
- 4 Planning Panel Recommendations
- 5 Planning Panel Decisions
- 6 Planning Appeals & Public Inquiries
- 7 Local Review Body Decisions
- 8 Planning Enforcement
- 9 Planning Enforcement Matters
- 10 Forestry Planting and Felling Proposals
- 11 Street Naming
- 12 Other Planning Issues

The Schedule is distributed to all Members of the Council, Community Councils and statutory consultees. It is available on the Council's internet site – www.stirling.gov.uk. Information on all planning applications submitted to the Council can also be obtained from www.stirling.gov.uk/onlineplanning .

Who to contact in Planning

If you have a query about a Planning Application or related matter you should contact the appropriate member of staff using their personal direct dial phone number. If they are not available, your call will be automatically redirected to our Planning Support staff who will be pleased to help you. If necessary they can arrange an appointment for you to see somebody who can deal with your particular query. The dialling code for Stirling is (01786).

Applicant/Agent: Forest Enterprise Scotland Five Sisters House Five Sisters Business Park
 West Calder EH55 8PN

Decision: **Approve - NAG**

Planning Schedule Recommendations

All of the applications in this Schedule have been considered against the Development Plan and unless otherwise stated accord with the provisions of the Development Plan, in terms of Sections 25 and 37 of the Town and Country Planning (Scotland) Act 1997.

There are no recommendations on the Schedule this week.

Planning Appeals and Public Inquiries

APPEAL: Residential development of up to 500 units, erection of primary school, formation of access, landscaping, open space, SUDS and associated infrastructure at Land At Cushenquarter Farm Plean

UPRN: 000122069662
Reference: 17/00440/PPP
Type: Planning Permission in Principle
Officer: Jane Brooks-Burnett, Telephone: 01786 233672,
Email: brooksburnettj@stirling.gov.uk

Appellant: Persimmon Homes East Scotland/Story Homes Scotland Ltd

Outcome: Appeal Dismissed

Supplementary Information:

The reporter dismissed the appeal and refused planning permission in principle. A summary of the reporter's reasoning is provided below.

Principle of development: The reporter found that there was no justification for an early release of the appeal site in the context of Policy 2.1 of the LDP 2014. However, the reporter, like the council, considered the provisions of the Modified LDP 2018 and the overall housing land supply targets embodied within that plan, to be significant material considerations and on this basis found the proposed development of 500 dwellings at this site to be, in principle, acceptable. In placing significant emphasis on the terms of the H069 allocation in the Modified LDP 2018, the reporter was mindful to the key site requirements, specifically education infrastructure constraints on development in Periods 1 and 2. Despite the proposed phasing, the council was satisfied that all 500 units would be acceptable subject to resolving the education infrastructure constraints for the whole development, the other developer contributions and the vehicle access arrangements. The reporter considered this approach to be consistent with the terms of the Modified LDP 2018. Overall the reporter found that residential development here would reflect the future intentions of the adopted LDP 2014 and also comply with the scale of residential development envisaged by the Modified LDP 2018. She was satisfied that a favourable decision on the principle of all 500 units had been addressed and the other key site requirements had been incorporated into an acceptable form of masterplan including the issue of vehicular access.

Vehicular access and associated public transport accessibility: The reporter noted that there were 2 proposed vehicular access points: a primary access at the site frontage with the A9 and a secondary access linking with Bruce Street, to the north. The secondary access was not within the site boundary and no indicative road or junction design existed. The reporter considered that the relevant test for the adequacy of the access arrangements was set out in the LDP 2014, Policy 3.1 (Addressing the Travel Demands of New Development) and the statutory Supplementary Guidance SG14 (Ensuring a Choice of Access for New Development).

The reporter noted that the council indicated that there were concerns regarding the design and deliverability of the vehicular access routes. Firstly, insufficient design work had been carried out to reassure the council that the primary access and the secondary access to Bruce Street could be built to a safe standard. Secondly, the appellant did not control the land necessary to provide the secondary access and the council did not consider a suspensive condition regarding its construction would be competent.

The reporter noted that this was a 'significant development' of 500 houses plus a school (a 'large' development in terms of SG14) so considered it important to establish that any junctions with the

existing road network could be provided to a safe standard, even at the planning permission in principle stage.

Planning Enforcement – week ending 28/09/18

New Cases Received

Issue: Erection of garden building.
Address: Westerton, Cowie, FK7 7AN
Ward: Ward 7 Bannockburn
Reference: EN/18/109/UNAUTH
Case Officer: Lynne Currie, Telephone: 01786 233673, Email: curriel@stirling.gov.uk

Issue: Installation of garden structure and flue.
Address: Burnside Crescent, Plean, FK7 8DA
Ward: Ward 7 Bannockburn
